TOYOLOGY: SCIENCE THROUGH TOYS

Valhalla Elementary School
After-School Science Program: K-4th Grades
(5th grade also welcome)

In these exciting hands-on science classes we will build a variety of toys and use them to demonstrate major scientific concepts such as energy, electricity, light, gravity, motion, friction, magnetism and simple machines. Each student will construct and take home a science toy in every class. The classes will be taught by our award-winning staff.

Each student will make and take home:

- Thumbapult
- Tubular Conductivity Robot
- Krazy Kaleidoscope
- Rubber Band Powered Ladybug
- And more . . .
